

💧 What is WIF-10 on my water bill?

You may notice a new line on your water bill labeled **WIF-10**.

WIF-10 stands for **Water Infrastructure Fee**. It is equal to **10% of your water bill** and is being placed into a **special reserve dedicated to water infrastructure**.

These funds will be set aside to help the Village plan for and pay for future water system repairs, replacements, and infrastructure improvements.

Keeping these funds in a dedicated reserve helps us prepare for future needs and reduce the financial impact of major water system projects when they arise.
